Sir,

Adverting to your letters Nos.1276/Muz.221-24-2 dated 2nd March 1925 and Muz.1532/221-24-4 dated 21st April 1925 forwarding for my opinion review applications received from Mr. Ramanuja --- Iyengar praying for a reconsideration of the Government Order of 7th June 1923 and for the restoration to him of the inam lands --- endowed to the Chattram at Mayasandra, Turuvekere Sub Taluk and for the grant of a year's time to put every thing in order, I have the honor to submit herewith the entire records together with the review petitions received with the Deputy Commissioner's letter No.H.C.809 of 24-25 dated 31st July 1925 (copy of which together with that of the Deputy Commissioner's letter referred to therein is herein --- enclosed). The Deputy Commissioner is of opinion that no useful purpose would be served in permitting the Inamdar to repair the --- chattram which being situated below the tank and very damp is unfit for the purpose and that the question of putting up a new building in the new extension may be considered.

In view of the fact that the petitioner and his ancestors --- have been in possession of the Inam lands from a very long time he may be asked to construct a new musafirshana in the new estension in accordance with a plan to be approved by the Deputy Commissioner -- within a specified time and in case he does not comply with this --- the order already passed by Government may hold good. In the --- meantime, the Inam lands may be leased out by public auction until

until the time given to the Inamdar expires.

The lands are stated to have been resumed to Government and entered in the village the accounts as Government waste and to have not been disposed of to any body.

Letter No.H.C.809/24-25 dated 31st July 1925 from the Deputy Commissioner, Tumkur District to the Muzral Commissioner in Mysore.

"In continuation of to this office No.H.C.809/24-25 dated 30th May 1925 and with reference to your letter No.C.1068/24-25 dated 9th July 1925 calling for my opinion in the matter of the Review Petition of Mr. Ramanuja Iyengar, Manager of the Chattram at Mayasandra, that the order of resumption of the Inam lands endowed to the Chattram may be reconsidered permitting him to proceed with the work of repairs etc., I have the honor to state as follows:--

As I have already reported in my letter No.C.99/22-23 dated 28th March 1923 the fact is that the old chattram was not only being misused and mismanaged by the members of the Inamdars family, but is also in a very dilapidated condition and unfit for the purpose, being situated --- below the tank, and very damp - all the storm water and sewage water -- converging towards the chattram. Though the Inamdar was given several opportunities to put a stop to this condition of affairs, he took no - action in the matter.

The village Panchayat and all the residents of the village protest against the location of the Chattram in its present place. They have repeatedly urged that owing to the Mayasandra Travellers Bungalow being located at a considerable long distance from the village travellers are being put to great inconvenience for want of suitable resting place. A Musafarkhana on an up-to-date plan should be constructed in a healthy locality in the new extension out of the sale proceeds of the Inam lands endowed to the old chattram located at a considerably long distance from the village.

Their proposal is commendable and requires favourable consideration as on the last occasion when I visited the place I found the locality in which the Chattram is situated was infected with plague and quite unhealthy for being resorted to by the travelling public and the Taluk Board of Turuvekere also have accepted the above proposal and have even recorded a resolution in the matter in their meeting held on 7th Febru 1925.

In these circumstances I am of opinion that no useful purpose -- would be served even in permitting the Inamdar to repair the chattram not to speak of the fact that repairs and construction of Chattrams and

and such institutions by the Inamdars have never been found to be -- satisfactory partly owing to their want of professional knowledge - and partly owing to the natural tendency to use the cheapest and -- worst material possible and let matters to drift and that the question of constructing a Musafarkhana might advantageously be considered in the interest of the public as resolved by the Taluk Board.

The petition of Mr. Krishna Iyengar and others of the place received with your No.C.1608/24-25 dated 21st July 1925 and the connected file of vernacular records are enclosed for kind perusal and early orders."

REV. STATIS. BR.
11 FEB 1925
MUZRAI

Sir, D. 1318

With reference to Government order No.2957 Muz 409-22-2 dated the 7th June 23, communicated to me by an endorsement from the Deputy Amildar, Turuvekere Sub Taluk, I beg permission to represent the following and request reconsideration:-

I got knowledge of this order on the 20th July 1923, when I received endorsement from the Deputy Amildar of Turuvekere Sub Taluk.

The order in question was passed exparte on the misrepresentation from the Sub Taluk that I have not been managing the Chatram at Mayasandra, in a satisfactory manner. Being in service and abroad, I have not been able to give my attention to this matter till recently when I was retired in November 1924.

I may be permitted to mention that the Chatram was brought into existance by my grandfather the late Amruthmahal Bakshi Mr. Venkatarama Iyengar from his own resources and, in consideration of this, the Government granted him Inam land now ordered to be resumed. The quit rent register shows this grant to be made for having constructed the Chatram and throwing it open to the public other than Mahamodans

and

and Panchamas.

When my father the late Mr. B. Krishna - Iyengar was alive he was managing the Chatram and got the land into Khalsat in his own khatas. Later on he got the Government to cancel the khalsat and continue the land as inam undertaking to keep the - Chatram mmd in repair.

On my father's death I got to the management of the Institution as the eldest of his sons and matters sailed smoothly till 1920when on account of factions etc., complaints started being made to - oust us from the locality. This representation - began being made in season and out of season and I was not available to go there andget matters rectified.

In January 1921, a notice was sent to me from the Deputy Commissioner's Office, Tumkur, and, on its receipt, I asked my agent on the spot to see to everything wanted. I was living in hopes that everything was well when suddenly I was served with the endorsement above-mentioned, apprising me of the resumption.

Failure to observe the condition of the grant ought to have been visited with the cancellation of the nature of the tenure and not with our deprivation of the land for over 60 years in our enjoyment.

Generally the care takers of the Choultry live on the premises and my agent was located in the Choultry to look after it and our other properties -

thereabout.

I am now retired from service and can give my whole attention to this matter and I therefore beg to request that the Government order of - resumption may be revised and an year's time given me to put matters right.

I further beg that the sale of the land now beingordered may be kinlay stayed pending disposal of this petition.

I beg to remain,

Sir,

Your most obedient servant,

Sir,

In continuation of my review petition of 4 February and 14th April 1925, regarding the cancellation of resumption of Inam lands of Mayasandra Chattram, Tmruvekere Sub-Taluk, I beg to represent that the report called for from the Muzrai Commissioner has not as yet been sent to Government even though it is now 4 months. The Inam lands have been - lying fallow since 2 years without any return to Government. I fear the report may not come before the expiry of cultivating season of this year also, and as such I beg that the lands may be ordered to be left in my possession till the final disposal of the matter so that I may have the lands cultivated at least this year before the expiry of the cultivating season; so that both Government and myself may be benefitted.

Further, I beg to state that the lands though formally resumed to Government so far back as 1923, have not - been otherwise disposed of as yet.

I beg to remain,

To

B. Srinivasa Iyengar, Esq., B.A., B.L.,
Secretary to the Government of
His Highness the Maharaja of Mysore,
Revenue Department.

Adverting to your letter No.415/Muz.221-24-7 dated 8th October 1925 forwarding for my further opinion in consultation with the -- Deputy Commissioner, petition received from Mr. B. Ramanuja Iyengar Manager of the Chattram at Mayasandra requesting that either the -- villagers or the District Board may be required to pay proper ------- compensation for the chattram building, I have the honor to submit herewith the entire records received with the Deputy Commissioner's letter No.H.C.809 of 24-25 dated 30th January 1926 (copy of which is herein enclosed.)

It is reported that the Manager has subsequently sold the --- building for a sum of Rs.400/-. In this circumstance the question of payment does not arise. The present Deputy Commissioner has ---- recommended that the inam land may be restored to the petitioner --- provided he enters into an agreement binding himself to build a new musafirkhana in the New Extension with an outlay of at least Rs.2500.

Judging from the previous conduct of the petitioner, it looks exteremely improbable that he will give effect to the agreement. So in order to avoid all further complications, it seems best as already recommended in this officer letter No.C.1068 of 24-25 dated 18th --- August 1925 that he should be asked to construct a new musafirkhana in the New Extension in accordance with a plan to be approved by the - Deputy Commissioner within a specified time, and in case he does not comply with the same, the order already passed by Government may be

to be enforced. Meanwhile the inam lands have to be leased out by public auction until the time given to the Inamdar expires.

I have the honor to be,

Sir,

Your most obedient servant

Ramaswami

Muzrai Commissioner.

"With reference to your letter No.C.1068/24-25 dated 16-11-1925 calling for a further report in the matter of the representations made by Mr. R. Ramanuja Iyengar, Manager of the chattram at Mayasandra, I have the honor to state that Mr. Ramanuja Iyengar has sold the chattram with its available materials recently for a sum of Rs.400/-. A copy of the registered sale deed is filed in the records. The Inamdar, Mr. Ramanuja Iyengar had appeared before me and presented a petition admitting the above sale. He represents that if a site is made available to him -- free of cost, in the new extension of Mayasandra, he would undertake to put up a Musafarkhana there, consisting of 2 rooms 1 kitchen and a bath room out of the amount realised by the sale of the old building supplemented by other money and prays for the restoration of the Inam lands resumed to Government. He does not definitely say what amount he is prepared to spend over the construction of a new musafarkhana. But, considering that the Inam lands were long in the enjoyment of the family of the present -- petitioner and also in view of the fact that he was away in Govern[illegible]

Government Service for a long time and that he now wants to perpetuate the charity started by his fore-fathers, I think the prayer of Mr. -- Ramanuja Iyengar may be favourably reconsidered and the lands restored to him provided he enters into an agreement binding himself to build a musafarkhana in the new extention according to the type design, though on a modest scale, with an out-lay of at least Rs.2500/-

I request that you may be pleased to move Government to --- kindly pass early orders in the matter.

The connected file of records on the subject accompanies."

To

The First Member of Council
of His Highness the Maharaja of Mysore
Bangalore.

Sir,

In continuation of my application of February 25, (herewith)
praying for the retention of Inam lands endowed to
the Chattram at Nagasandra, Tumkur Sub Dist.,
I learn that the records have been resubmitted to Govt.
with a recommendation that the said lands may be
kept under Govt management and leased out till the
construction of the musafirkhana in the new village
as agreed upon by me. In this connection I beg to state
that since the order of resumption of Inam lands in June 1923, the
lands have been lying fallow and the ryots whom my
forefathers had settled there have deserted as Govt did
not allow them to cultivate the lands. This has resulted
in the lands being overgrown with bush vegetation which
will entail heavy cost for its removal. Should the
lands be sold by auction temporarily till the construction
of musafirkhana I am afraid that the lands will be
much deteriorated as the auction purchaser will have
no interest in them and consequently heavy loss will
result.

Nine lands at the time of original grant were
barren lands and my forefathers have spent a
heavy amount in bringing them under cultivation.
These have been in our possession & enjoyment
for years and their deprivation will be a great hardship
to me.

I have received a petition to the Dharma
Authorities to construct a musafirkhana on

new village as soon as a site is allotted and given over to me. In the meanwhile I intend getting the bricks prepared and collect materials. I shall give a mud plinth building myself to erect the mud partition in the course of 18 months from the time of possession of lands to my possession and grant of site in the new village. If the Govt has no belief in my statements I am prepared to pay full assessment till the construction of the building and request Govt to put me in possession of them.

Should the Govt think this not feasible I beg to state that I will pay Rs 100/- annual instalments towards the construction of the building, the rent being met from the Govt grant the lands be conferred to me on full assessment, the loan terms being cancelled.

As the lands have been made fit for cultivation at a heavy outlay by my ancestors and as they have been in our enjoyment for a pretty long period I request that the Govt may be pleased to give over the lands to me without subjecting them to sale, as I am not in a position to complete in the daily three days of Cultivation.

I have herein enclosed a plan of the building which I undertake to put up.

I beg to remain
